FINANCIAL POLICIES**

As your healthcare provider it is our responsibility to diagnose and treat your dental needs

We provide our professional opinion and use the most current technology to provide these services. We will not sacrifice your oral health based upon what an insurance company deems appropriate.

It is your responsibility to know your insurance; including yearly maximum and coverage.

By consenting to have treatment, you consent to pay our fee when service is rendered, regardless of insurance coverage.

We require a 48-hour (2 full days) courtesy cancellation notice.
Monday cancellations require a 72 hour (3 full days) courtesy notice.
An appropriate fee (depending on the length of the failed appointment) will be charged if this policy is abused.
